# A WORLD OF STRUGGLE

*How Power, Law, and Expertise Shape  
Global Political Economy*

David Kennedy is Manley O. Hudson Professor of Law and Faculty Director of the Institute for Global Law and Policy at Harvard Law School where he teaches international law, international economic policy, legal theory, law and development and European law. Charting a major new direction in global governance at a moment when the international order is ready for change, Professor Kennedy's critically important book explains how we can harness expert knowledge to remake an unjust world.
